MOMENT OF SILENCE

- **Resolutions as Grad Requirements** were discussed when Kat said she was approached by a professor who told her that the faculty is not aware of when students have not fulfilled their resolutions. Oleg then asked Council if fulfilling trial resolutions should be a graduation requirement. Council expressed some of the following issues:
 - Julien suggested that we notify the faculty.
 - Brandon suggested opening a dialogue with the faculty.
 - Abby asked what was the point of resolutions if they were not a graduation requirement.
 - J.J. offered a method of notifying the faculty without prejudicing the information by revealing the names of the students.
 - Stephanie said we need to notify students that might be affected by this communication.
 - Julien: The letter has caused faculty response. Right now, there is no dialogue with the faculty. We should go the next faculty meeting and raise these issues so there can be some actual discussion.
- **Faculty Panel** is still in the planning process.
- **Mock Trial** will be held Wednesday night at 10:30pm at the top of the Campus Center. Council will provide food! Please come and participate.
- **Diversity Training** is next week at 8pm.
- **Elections** will be held this week. Speeches are in the Dining Center at 6:30pm on Wednesday. Honor Council Chair and Secretary are both open.
- **StuMP** was the next issue. Brandon, Frank, Oleg and Dan volunteered to write a constitution.
- **Rules of Order** Council started discussing adopting an internal constitution. It is in the drafting process.
- **Abstracts** are accessible from off campus without a password. An alum expressed concern that all this material is available to people who are not a part of the community. Council discussed briefly if everyone should have access. No one suggested a change of the policy.
- **Confidential Portion**
