I. Moment of Silence

II. Public Portion

- A. Happy Birthday Cody!!
- B. Council discusses the changes made to the Anonymous Confession Boards' policy and the boards' overall presence in the community. So far the resolutions appear to be successful based on the board's usage and the community's responses.
- C. Marien and Nick have been working with Helene Pollock and Travis Green who are interesting in creating a summer summit for Haverford students and administrators to discuss the Code. Marien and Nick ask for Council's feedback on whether or not this is a good/useful idea. The summit would ideally provide students and professors with an uninterrupted space (free of the stress from classes, etc.) in which to talk about the Code's relationship with the community and what flaws or issues exist with this system. Council decides that it would be most productive for Nick and Marion to meet with Helene and Travis and draft some proposals and concrete ideas to bring to next week's meeting for further discussion.
- D. Co-chairs debrief Council about their "fact-finding" road trip to Bowdoin College and West Point.
 - a. At Bowdoin the co-chairs discovered potential new methods of orienting frosh to the Code via an online tutorial over the summer before arriving at Haverford and showing frosh the "Sources" online citation website. While West Point's Code had an extreme presence throughout the campus, the co-chairs felt that the slogan of "I will not lie, cheat, steal or tolerate those who do" was not appropriate in regards to spreading Haverford's Code awareness.
- E. Pizza Professors and the Code will be 8:00 PM next Wednesday, April 16th
- F. Student Outreach is working on t-shirt ideas
- G. JSAAP met and went over party guidelines and the alcohol policy
- H. Elections are coming up! Co-Chairs will make sure all is in order.
