- I. Moment of Silence
- II. Public Portion – last public portion of the year!
 - A. Student Outreach – Everyone will put up a few flyers on not cheating on finals. Co-chairs will e-mail Council about where to get the fliers.
 - B. We are tabling now – t-shirts are selling quite well, which is good. Everyone needs to get their two hours in.
 - C. Recent inquiry: A Havercitizen wonders if creating one’s own wireless network is against the Honor Code. According to ACC policy, one isn’t supposed to make his/her own wireless network.
 1. Does ACC have any particular guidelines about what they do if they discover that someone has wireless? They probably turn it off and send an angry email.
 - a. It falls under the parking violation thing because it happens so often and is a minor administrative concern. It’s fine if ACC handles it.
 - b. There isn’t a real threat to other students when wireless networks are used, so it isn’t a concern.
 - c. If someone is uncomfortable about a situation, they’re told by the Honor Code to talk to the person, but otherwise, there isn’t a need for Honor Council to say anything.
 - D. Mock private portion/mock trial – how did they go?
 1. Basically no one went to the private portion, but there was a decent group of people at the mock trial, which went very smoothly.
- III. Private Portion and Moment of Silence
